REMARKS

Applicants respectfully request reconsideration of the present application in view of the foregoing amendments and in view of the reasons that follow.

Non-elected claims 1-11 and 63-70 are requested to be cancelled without prejudice or disclaimer. Claims 12-19 are currently being amended. After amending the claims as set forth above, claims 12-62 are now pending in this application.

Claims 12-19 were rejected under section 112, second paragraph, as being indefinite because claim 12 recited a second means without reciting a first means. In response, claims 12-19 have been amended to renumber the means elements as suggested in the office action. Applicants respectfully submit that the amendments overcome the rejection and do not narrow the scope of the claims.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check or credit card payment form being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicants hereby petition for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Respectfully submitted,
